

Your Partner in Sustainable Junk Removal

Discover how we help businesses reduce the cost and complexity of junk removal.

Clutter is Complicated. Getting Rid of It Shouldn't Be.

It's Stressful: Unwanted junk takes up valuable living space and creates mental clutter.

It's Confusing: Where do you take everything? What can be recycled? Improper disposal can lead to fines.

It's Hard Work: DIY removal means heavy lifting, finding a truck, and wasting your weekend.

It's an Environmental Concern: Many people want to dispose of items responsibly but don't know how.

Junk Removal – Made Simple

Simple Online Booking

Get an instant, upfront price in minutes. No hidden fees.

Professional Local Teams

A vetted, friendly hauler from your community arrives on time to handle all the work.

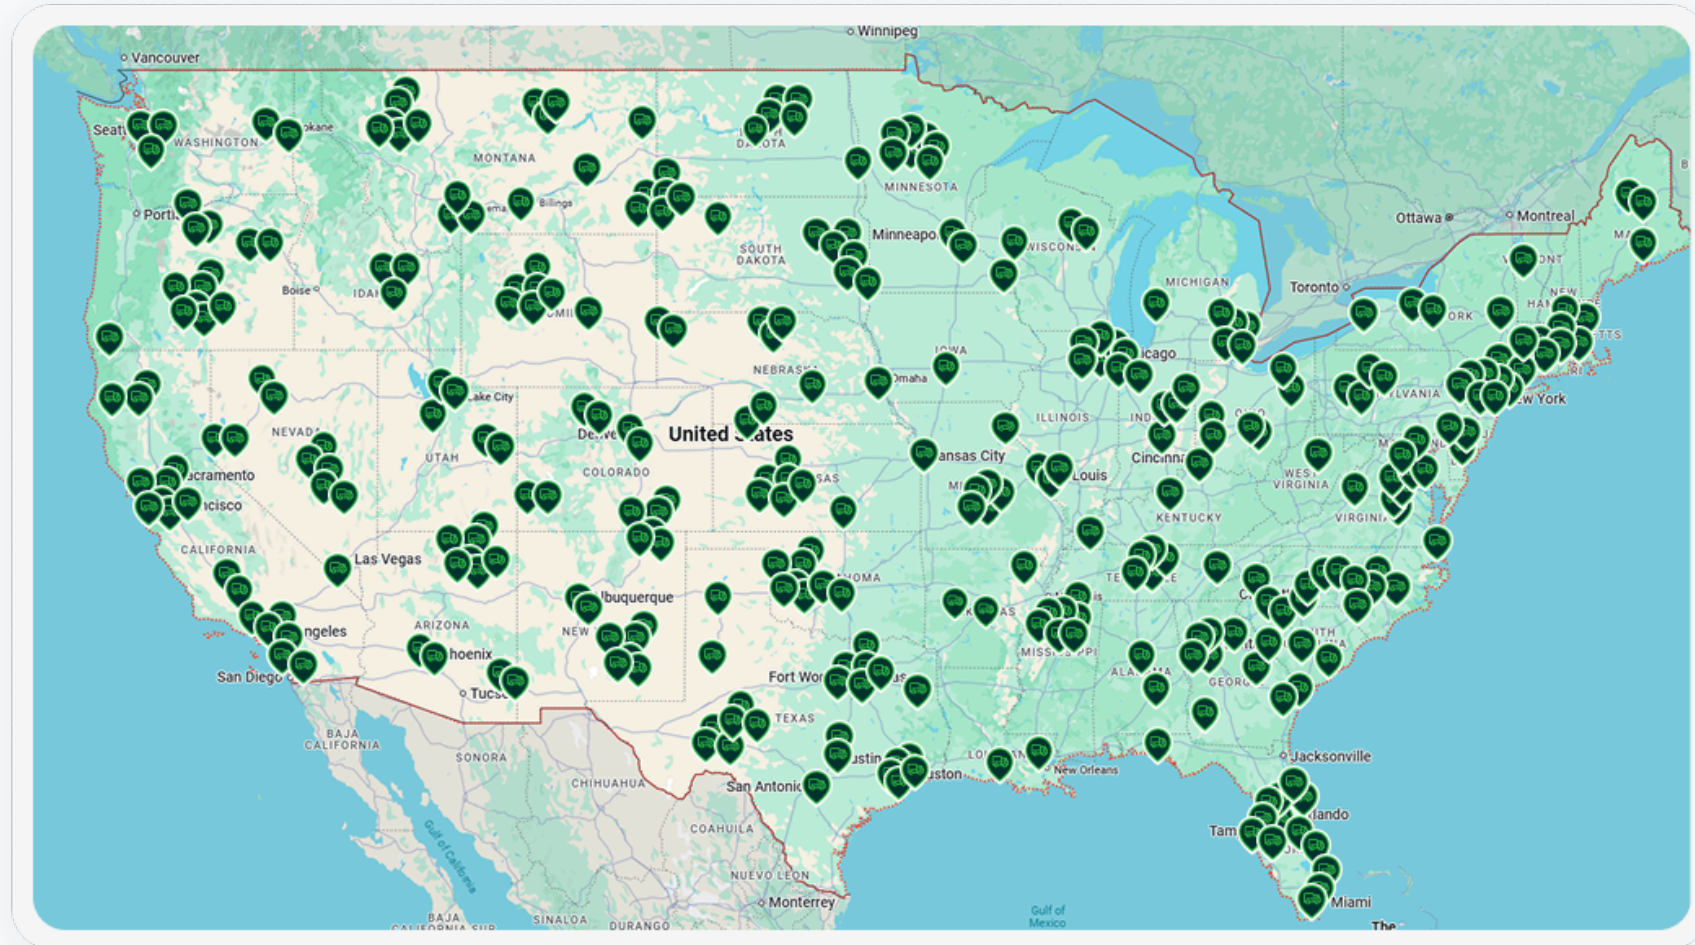

Responsible Disposal

We partner with local recycling and donation centers to keep your items out of the landfill whenever possible.

Reliable Service in **Your Neighborhood**

With 900+ Haulers Nationwide

Grunber's network spans across the United States, providing consistent and reliable service from **coast to coast**.

Whether you have one location or hundreds, you get a single, streamlined solution for all your junk removal needs, ensuring **quality service no matter where your business operates**.

Solutions for Every Situation

We provide fast and professional service for a wide range of needs:

- **Homeowners:** Decluttering garages, basements, and preparing for a move.
- **Renters:** End-of-lease and move-out cleanouts.
- **Small Businesses:** Office cleanouts, retail updates, and storage unit clearing.
- **Property Managers & Realtors:** Preparing properties for sale or new tenants.

We Handle Almost Everything

Our teams can remove almost any non-hazardous material. Here are some of the most common items we take:

- **Furniture:** Sofas & Couches, chairs, tables, desks, and bookcases.
- **Large Items:** Old Mattresses, pallets, box springs, and carpets.
- **Appliances & Electronics:** Fridges, washers, dryers, and responsible E-waste recycling.
- **Outdoor & Yard Waste:** Branches, leaves, old patio furniture, and grills.
- **General Junk:** Boxes of clutter, Cardboard, and construction debris.
